FAMILY VINEYARDS

La Famiglia Wine Club

We created this club to bring together our most loyal customers as members of our family and offer them exclusive benefits as members of the club. There is no fee to join and members are guaranteed first notification of releases with a discounted rate for purchases. Additionally, La Famiglia members receive complimentary wine tastings of up to four people, invitations to private tasting room and vineyard home events and access to limited production wines. Your membership begins with your purchase of one case of Pinot Noir each Spring at a 20% discount (appx cost is \$625.00). You can pick it up or we can ship it to you (regular shipping costs apply). The rest of the year, any* wine purchased will be with a 20% off discount. *Excludes library wine releases.

You will receive advanced notification, via email, of all upcoming releases. At that time, you will be able to purchase and have your items shipped to you if needed, before the public receives the release information. If shipping, your shipment may be delayed due to weather restrictions and this will be communicated to you via email notification. UPS requires the signature of someone over the age of 21 upon delivery. After three failed attempts, your shipment will be sent back to us at your expense but we will make every attempt to avoid this.
